Property Description

Location: Alhaurín de la Torre, Costa del Sol, Spain

Large independent house for sale in the neighborhood of "Pinos de Alhaurín" in Alhaurín de la Torre. This 457 m2 house was built on a beautiful flat plot of almost 2700 m2.

The house needs reform but you can move in immediately since it currently consists of 3 houses: a fully equipped apartment with kitchen, bathroom, living room and 1 bedroom on the ground floor and right wing of the house. It has access to a large front terrace. In the central part we find another complete house with an entrance hall, equipped kitchen, living room, 3 bedrooms and 2 bathrooms, it has access to the back of the house where there is a garden area.

Finally, on the 1st floor of the left wing of the house, there is access to an open-plan area of more than 100 m2, still to be finished, with an elegant tower and 4 large terraces that surround the entire space. Ideal to create another loft-style home, it has a lot of potential. From there the views are beautiful.

In addition, the house has a very large garage with more than 80m2, fruit trees and plenty of outdoor space. It has space to build a pool and has its own water well. The plot is urban and has all municipal services.

A property with many possibilities. Ideal for large families or as an investment for tourist rental.
