## THE PROPERTY:

Whether you are looking for a habitual residence, or if you want to invest in a unit for your business this apartment is ideal for its location, its size and all the possibilities it can offer.

## LOCATION:

San Pedro de Alcántara is in an ideal situation, just 10 kilometres west from all the glitz and glamour of Marbella, yet just a few minutes drive away from the natural beauty of the Sierra de Ronda mountain range and 20 km from the town of Estepona. An ancient farming community, once famous for sugar cane, today San Pedro is a refreshingly unspoilt pueblo with an appeal all of its own.

Be sure to head for the central plaza here with its gracious parish church and surrounding narrow streets which are packed with intriguing small shops, sidewalk cafes and bars. Thursday is street market day with all the associated hustle and bustle; a veritable bargain shopper's paradise. At the lower end of Avenida Marques del Duero sitting on top of the main coast road (in a 3km underpass) is the Boulevard park.

A pleasant walk is from the centre of town to the beachfront along the Avenida del Marques del Duero which is a particularly attractive wide avenue flanked by palm trees. And the modern wide promenade is ideal for continuing your stroll (or skateboarding!) with several excellent chiringuitos (beachside restaurants) specialising in fish dishes. Visit Bora Bora if only for a drink at the bar. It is one of the best beach clubs on the coast, with a superb restaurant and all the usual beach facilities, a tropical paradise.

San Pedro also has the last summer fair ( feria ) in Andalucia being in the second week in October.
