Upon entering the grounds through either the automatic gates leading to the driveway and garage or the pedestrian entrance leading to the front door, you are presented with a grand solid wood entrance. Leading to the lobby area, from here you can marvel at the immaculate glass paneled staircase and also gaze through to the magnificent open lounge / dining area. This view through the lounge also gives clues of open garden and pool views thanks to the well thought out glass fronted upper terrace areas to the rear outside.

The lounge is spacious and also bright thanks not only to the white and light shades used, but also the two double width glazed doors that flood light to the entire area. Regarding the doors and windows, the entire property benefits from new windows and doors, apart from the grand old entrance. Returning to the lounge description, the east wall has been devoted to a stunning 2.4-meter fireplace, with television above and feature shelving to each side.

Off the lounge on the west wall, we can find the entrance to a brand new kitchen, completely immaculate white with a very tasteful choice of floor tile. The kitchen is very smart, fully equipped and also benefits from two large matching fridge and freezers to ensure times of entertaining never run dry on the terrace directly outside.

Back into the lounge and through a second door next to the kitchen we can find a large bedroom, which is now presented as an attractive office with an exercise area.

From the lobby and at opposite ends, we can find two good sized, beautifully decorated bedrooms. A downstairs bathroom completes the offering on the ground floor.

Accessing the terrace area from the lounge, we find a modern tiled flooring, glass paneled railings and stairway, a perfect area for entertaining, BBQ's and sun seeking.

Down the stairs to the large garden, we can access the 10-meter swimming pool and ample space to relax and enjoy the secluded private gardens. This is a lovely sunny area and a great place to relax in privacy.

The house and garden benefits from an advanced security system.

Up the beautiful stairway, we have immediate access to an upstairs terrace. On this level you will find a house bathroom and the rest of the bedrooms. The fourth bedroom has a lovely south facing orientation with small terrace outside overlooking the rear garden and pool. A fifth large bedroom, which is presently used as an impressive walk-in wardrobe area due to its location next to the master bedroom and a very impressive master bedroom, also south facing with small terrace which benefits from a truly fabulous brand new en-suite bathroom.

To the west side of the house at the bottom of the driveway there is a large car garage accessed through a secure automatic entrance. The size of this area may give potential to further increase the indoor space of the house but in its current state is ideal for parking of three to four cars and housing anything required for the upkeep of the garden.

Set in one of the most sought-after areas of Marbella walking distance to The Golden Mile. This beautiful Nagüeles family home is painted in white with grey features and is set on a large plot of well-maintained gardens with a good-sized swimming pool.
